

Marriott Marquis Houston

COVID-19 GUIDELINES

as of January 25th, 2022
Guidelines are subject to change.

FACE COVERING POLICY:

- A: For Associates: All Marriott Associates are required to wear face coverings regardless of vaccination status. All Marriott Associates must wear a face covering as part of their uniform.
- A: For Guests: Fully vaccinated guests are no longer required to wear face coverings or social distance. Guests not fully vaccinated should still wear face coverings and practice social distancing.
- A: For Vendors & Contractors: Vendors or Contractors should follow the Associate guidance when in hotels, and therefore are required to wear face coverings regardless of vaccination status.

SANITIZATION AND TEMPERATURE CHECKS:

- All unvaccinated hotel employees receive a temperature check upon entering the building each day
- The hotel is equipped with hand sanitizing stations throughout all levels of the lobby and event space floors
- Our hotel Housekeeping department rigorously cleans all high touch point areas such as door handles, elevator buttons, desk countertops, etc.

BANQUET FOOD OPERATIONS:

- Unless specifically requested otherwise, all hors d'oeuvres will be stationed with an attendant present. We are not recommending passed hors d'oeuvres at this time.
- All banquet buffets, stations, food displays, can be equipped with a protective plastic cover that separates the attendees from the attendant or food items. The attendant will serve the plate directly to the attendee upon client request.
- Meeting space is equipped with self-service water dispenser stations

MEETING SPACE:

- Hotel meeting space is permitted to be set at 100% capacity with no distancing restrictions
