

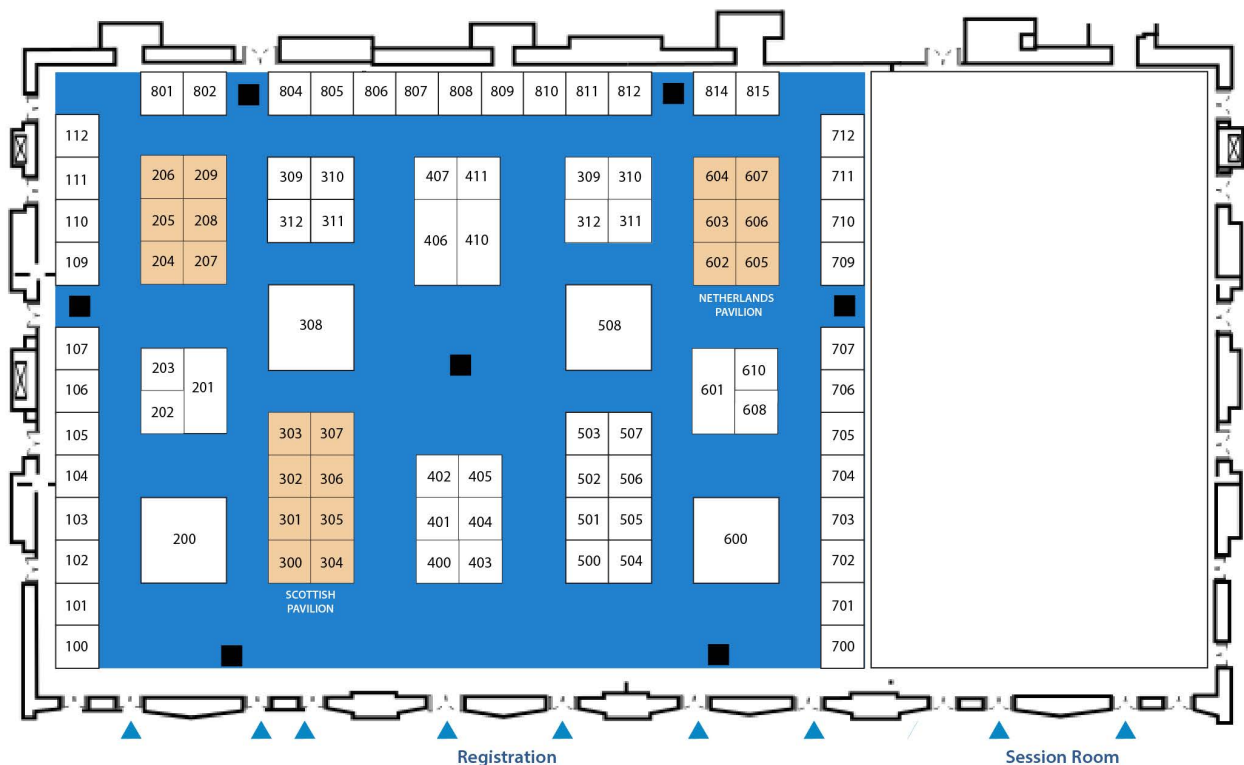

Exhibition Opportunities

Floating Wind Solutions, now in its 5th edition, has consolidated its reputation as the largest Floating Wind Conference & Exhibition held in the US! The event sees a core of Technical and Business Development delegates from the US and Europe (40%), as well as an increasing number from Asia, Brazil, Colombia gathering annually in Houston, the Energy Capital of the World. More than 850 executive-level delegates from 600 companies participate, each committed to driving solutions towards 'Full-Scale Development Globally'.

The highly regarded FWS Technical Program features 2 sessions with Floating Wind Developers sharing their vision and portfolios and features 60+ non-commercial presentations from leading Developers and Supply Chain companies. Additionally, the DeepDive sessions offer more in-depth technical content.

The exhibition, with its 100+ Exhibitors includes ample associated networking activities such as all catering, lunches and receptions, offering great opportunity for Exhibitors who wish to address these audiences before, during and post-event.

All Exhibitors may purchase additional delegates at 50% discount on top of the number of free delegates for each booth size shown above. We value our Exhibitors and will provide each with excellent exposure and branding reaching audiences well in excess of 100K.
