

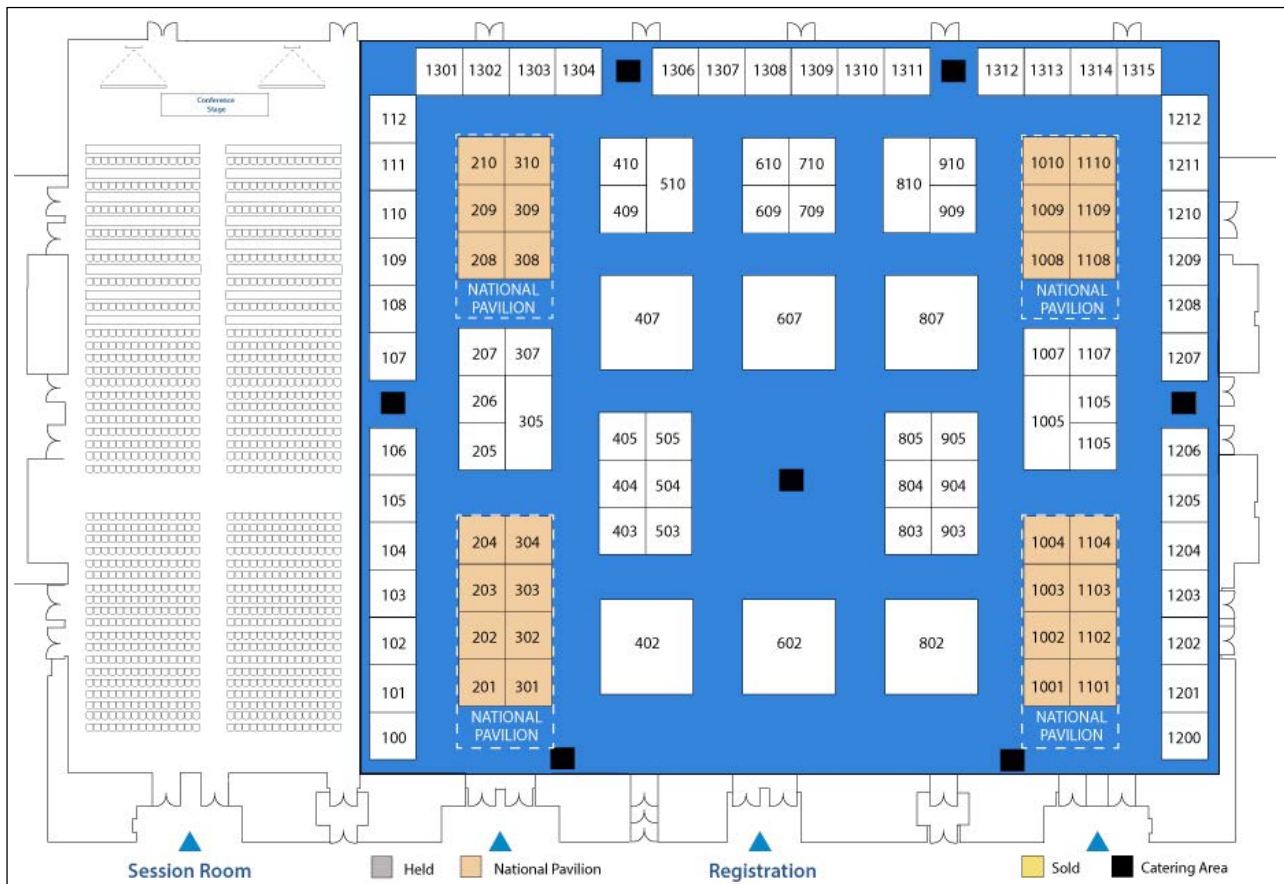

Exhibition Opportunities

FWS '23 saw a 50% increase in size from '22 and 100% from '21, consolidating its reputation as the largest Floating Wind event held in the US! The highly regarded Technical Program saw close to 60 presentations from leading Developers and Supply Chain companies. More than 850 executive-level delegates from 420 companies participated each committed to driving solutions towards “Full-Scale Commercialization Globally”. As the global energy hub, Greater Houston was well represented and overall the event saw a large number of delegates from Europe and Asia, Columbia and Brazil.

FWS '24 Conference & Exhibition and its associated networking activities offer great opportunities for Exhibitors who wish to address these audiences before, during and post-event. FWS '24 will be at the Hilton Americas, February 5-7 and expected to draw more than 1,000 global attendees and 100+ exhibitors.

All Exhibitor opportunities offer additional delegates on top of the number of free delegates for each booth size shown above. We value our Exhibitors and will provide each with excellent exposure and branding reaching audiences well in excess of 100K.
